

**St. Paul's Academy Summer High School
Religion Program**

Religious Education 15 (Roman Catholic) Course Code: LDC1724_3

Students will examine the culture in which they are maturing, and reflect on Christ's invitation to transform it. They will be encouraged to demonstrate through word and action the teaching of Christ: that a disciple's life is a life lived for others and in service of Christ and his Church. Through the study of various print and visual texts, as well as discussion and reflection, the course provides opportunity for students to more fully explore their relationships with God, others and self as presented in their own and other cultures and from a Catholic perspective.

Religious Education 25 (Roman Catholic) 25 Course Code: LDC2724_3

Students will closely examine the life, death, resurrection and ascension of Jesus Christ. They will deepen their understanding of the joy and sacrifice of discipleship by considering the invitation to seek the Truth in all things, and make decisions based on love of God, self and neighbour. In this course, students will have an opportunity to demonstrate their learning, through a variety of print, visual and oral media, and deepen their understanding of the Old Testament, each of the four Gospels as four distinct accounts of the message of Jesus and the role of Paul in the early years of Church development and history.

Religious Education 35 (Roman Catholic) 35 Course Code: LDC3724_3

Students will explore their creativity in the ways they choose to communicate what they have learned and their response to the call to discipleship. They will explore ethical and moral guides for living and learn that the major life decisions of a disciple of Christ must flow from a living relationship of love with the Lord and the wisdom acquired through

that relationship. As true disciples, students will strive to live in the world conscious that their choices should be rooted in their relationship with Christ and fidelity to his call. They will focus on making moral and ethical decisions based on Truth.
