

Special Projects (5 Credits)

Course Description

Special projects credits are designed to recognize work undertaken by students (interests, hobbies, etc.) on an individual or small group basis. Special projects credits are designed to recognize work undertaken by students on an individual or small group basis.

Special projects credits perform two major functions:

1. Students become involved in the selection, planning and organization of their own programs.
2. Students pursue activities in which they have considerable interest or ability but which are not within the scope of the regular curriculum or the programs being offered in the school.
