MARCH 5

National Geographic Live - A Wild Life

Whether camping with coastal wolves on Vancouver's western beaches, pursuing peregrine falcons in London, or filming leopards in the streets of Mumbai, Bertie Gregory captures the essence of what it means to coexist peacefully—with respect and humor—alongside the magnificent creatures of the natural world.

Host of National Geographic's Wild Life, as well as the winner of the 2015 Scientific Exploration Society Zenith Explorer award and 2012 Youth Outdoor Photographer of the Year prize, Gregory is a passionate advocate for the natural world. Join Gregory as he takes us into the lives of the animals in our own backyard, in hopes of inspiring us to protect them.

Where: Jack Singer Concert Hall - Arts Commons, 220 9th Ave SE, Calgary
When: Monday's, March 5, 10:15-11:15am

MARCH 12

SAIT Career Exploration Centre Event

The Career Exploration Centre (CEC) is not just a place it is an experience. Our SAITCity program helps you discover more about careers and yourselves to see what fits, what sparks a passion and what fires your curiosity.

- Your SAITCity experience begins at home where you complete our short, online pre-visit activities to get an idea of the careers you might want to try out when you get here. (Your school liaison will provide you with the password and ID to login to access these activities.)
- At SAIT, you'll learn more about us, engage in industry exploration, complete an interest mapping activity, and then sign up for your first hands-on career mission.
- After completing your mission, you will engage in a short reflection exercise that will help you identify what you liked and what you did not about your career experience. This will help you figure out the next career you would like to explore.
- After completing up to three career missions, we will finish the day by identifying some next steps you can take to continue your career exploration experience.

At the end of this day, you will have increased your knowledge about careers and SAIT, practiced the career exploration process and have a better understanding of your interests as they relate to careers.

For more information visit saitcareerexploration.ca > Our Program > A Day in the Life of SAITCity.

A Bonus for Parents and Caregivers: The CEC is pleased to offer a short, optional presentation that provides guidance and resources you can use to support your teen's career exploration efforts. This session will run for approximately 30 minutes while your teen engages in the SAITCity program. You can rejoin your teen after this presentation. Please indicate your interest in attending this session when registering for this program.

Where: SAIT Career Exploration Centre, 1301 16 Ave NW, Calgary
When: Monday, March 12, 9:00 am - 3:00 pm
Who: CFL Students Gr 8-12
Cost: Free

MARCH 15

Co-Curricular Class

Join us for Co-Curricular classes on March 15. This session will focus on Language Arts, Phys-Ed and other core subjects. The Phys-Ed component will be group games.

Science in Action: Water and Our World.

- 1-3 Workshop
- 4-6 Workshop
- 7-9 Workshop

A full day of exploring water and its connection to society and social justice. Up to 60% of our bodies are made up of water and 71% of our planet's surface is covered with it. When we are thirsty we drink a multitude of liquids that are made up of water. What would happen if we did not have access to clean water? What would happen if we ran out of water?

This workshop will take students through the water cycle, help them consider how important water is to all life on our planet, experiment with water, create a water filter and have some fun playing some water themed games. No bathing suits required, though, you may want to bring a towel.

Traditional Home Education Students are welcome if space allows. Registration will commence for Traditional Home Education Students 2 weeks prior to the class start on March 1. We look forward to seeing you there.

Please bring a lunch; there will be no access to heat the lunches up - **NO NUTS PLEASE**. You will also need indoor running shoes to participate in the gym.

Where: First Alliance Church, Calgary, 12345 40th St SE

When: Thursday, March 15

Time: 9:30 -10am drop off and registration, classes run from 10:00am-2:50pm.
Pick up by 3:00pm.

Who: CFL Students Gr 1-12

Cost: Free for Learn@HOME Students (Teacher-Directed, Online and Blended Program)
\$20.00/ Traditional Home Education Student

APRIL 19

ATP Glory

Uplifting Hockey & Dance Extravaganza? World Premiere GLORY

In 1933, four friends set out to prove to Canada that hockey is not just a sport for men. However, with the Great Depression weighing heavily on the nation and political tensions rising in Europe, can they overcome the odds, and people's expectations, and forge their own path to glory? Told through music and dance inspired by the jazz age, GLORY is an uplifting hockey story that proves a woman's place is on home ice.

Audience Considerations: Suggested for ages 12+

APRIL 23

National Geographic Live - Standing at the Water's Edge

Photojournalist Cristina Mittermeier knows the power of water: the power to give life when it is respected, and the power to destroy when it is misused. During her time with the Kayapó people in the Amazon, she documented a society that relied on their local waterway to survive-and found their way of life threatened by a massive new dam. In British Columbia, she found First Nations protecting their sacred headwaters, and in Hawaii, a new community of indigenous peoples seeking to reclaim their connection to the sea. She learned that one concept bound these three disparate communities together: "Enoughness," or taking only that which you need. This event meets some of the learning outcomes for Science and Art.

Where: Jack Singer Concert Hall - Arts Commons, 220 9th Ave SE, Calgary
When: Monday's, April 23, 10:15-11:15am

Theatre Calgary Presents - Secret Garden

This beloved classic children's book comes beautifully to life in this stunning Broadway musical. A young orphan girl is sent to live with her reclusive uncle on his dark and depressing estate. When she discovers the key to a neglected garden, she reawakens the magic locked inside the garden walls and her family's heart. This event meets some of the learning outcomes for Art.

Where: Theatre Calgary, Arts Commons Building, 220 9 Ave SE, Calgary
When: Thursday, May 3rd, 11:30-1:30pm
Who: CFL Students Gr 1- 12
Cost: \$20/ ticket

Grow Calgary

Grow Calgary is a local organization whose goal is to grow fresh produce for Compassionate Food Access Agencies in Calgary. They want to ensure all Calgarians have access to healthy, local food. They are Canada's largest community farm, Grow Calgary, grows food for social agencies with food access programs. Everything, 100% of what they grow is donated. 100% of their production is grown by volunteers. 95% of our recipients are women and children. 100% of our recipients are vulnerable and living in poverty. Let's go help them reach their goal by volunteering on the farm. We will learn how their organization works and about urban farming. Please dress appropriately and bring lots of drinking water as there are no fountains at the farm.

Where: Grow Calgary Farm, 10319 West Valley Rd SW, Calgary
When: Friday, May 11, 10:00-2:00 pm
Who: CFL Students Gr 1-12

MAY 25

River Watch

Our school is now booked into a one-of-kind science field study. The award-winning RiverWatch Science Program transports students in large, inflatable rafts to study water quality along a section of the Bow River. The rafts are floating laboratories equipped with science kits to sample water chemistry and collect aquatic insects. The focus of the RiverWatch field study is to determine the environmental health of the Bow River by comparing conditions above and below the City of Calgary Bonnybrook Wastewater Treatment Plant. Students paddle-power the rafts. At two selected shore-line locations, they will collect all the science data to form their own conclusions. Citizen science programs like RiverWatch help focus attention on the personal impact that we all have on Alberta's water.

Please note: Students will be dropped off and picked up at DIFFERENT locations as outlined on the registration page.

Where: Start location - Inglewood Ball Park, 21 Street & 7 Avenue SE, Calgary
When: Friday, May 25, 2018, 9:00 am - 2:30 pm
Who: CFL Students grades 8 -12.
Cost: \$43/ student

[HTTPS://WWW.STRIKEARCHERY.COM/](https://www.strikearchery.com/)

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require a parent supervise every participant; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rational.

1. PARENT PARTICIPATION IS MANDATORY

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

2. PARENT PARTICIPATION IS VOLUNTARY

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

3. PARENT PARTICIPATION IS RESTRICTED OR NOT ALLOWED

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.

**SUPERVISION RATIOS AS SET BY CHRIST THE REDEEMER
CATHOLIC SCHOOLS FOR FIELD TRIPS**

GRADE LEVEL	ADULT: STUDENT RATIO
1-3	1:5
4-6	1:10
7-9	1:15
10-12	1:25

Please note, some activities replicate a classroom setting (example: teacher led co-curricular classes) and in such situations, the Field Trip Supervision Ratios will not apply. Ratios similar to a traditional classroom will apply.

If you have any questions or concerns regarding supervision, please contact The Centre for Learning@HOME Program Enhancement Coordinator for your area.
