WONDERING HOW TO REGISTER?

1. All of the events can be found at centreforlearning.ca by clicking on **Events tab**.
2. Then follow the **Registration link** to see all of the current and upcoming events.

3. USEFUL TIPS for searching program offerings and locations

- Locate the blue "*Find*" button at the top right of the Events' Registration tab
- Using the "*Title*" field, type in an activity (eg. Art, Basketball, Theatre) **CLICK SEARCH**.
OR
- Using the "*Title*" field, type in one of the following for a more comprehensive geographic list of activities. **CLICK SEARCH**.
 - Cal – Calgary, Okotoks, Airdrie and surrounding area and surrounding communities
 - Central – for Red Deer and surrounding communities
 - Med Hat – for Medicine Hat and surrounding communities
 - Leth – for Lethbridge and surrounding communities
 - Edm – for Edmonton and surrounding communities
 - GP – for Grande Prairie and surrounding communities
 - Prov – for provincial activities that may be of interest to all geographic locations
- Select a city using the location dropdown menu

MARCH 1

BRICKS 4 KIDZ

A Bricks 4 Kidz In-School Workshop uses the LEGO bricks kids love to deliver hands-on lessons correlated to cross-disciplinary curriculum objectives. The Bricks 4 Kidz approach to learning is imaginative, multi-sensory and fun, creating a dynamic learning experience for your students. Our models are the centerpiece of the lesson, which includes an educator-scripted discussion designed to engage students in a discovery process. Screened, trained Bricks 4 Kidz teachers deliver everything needed, including LEGObricks, model plans, and take-home materials.

WHERE: Mill Woods Recreation Centre, Green Room, 7207 28 Avenue, Edmonton

WHEN: Thursday, March 1

TIME: 1:00-2:30pm

WHO: CFL Students Grades 1-6

COST: \$12/student

This activity will meet some of the learning outcomes of Various Subjects.

REGISTRATION CLOSED

MARCH 1

JR/SR HIGH NIGHT – BREAKOUT ROOM

B.O.M.B. - As special agents of CSF, our sources informed us of a biological weapon hidden within this laboratory. Our sources have pin pointed the virus has been created by Dr. Von Doom, a well-known biological specialist. As you enter into the facility, a sensor is triggered and all windows and doors slam shut. You hear a distant laugh along with this automated message. Countdown begins. 45 minutes until virus is released. The only chance for humankind to survive is to retrieve the cure and to escape the facility.

Dojo of Triumph - It is the year 1688 in Kyoto, Japan. You have been training under the tutelage of your uncle Hiromata for as long as you can remember. You both have lived like nomads traveling and training in the shadows, along the way you've found other drifters that have joined you and become your family. You learn from your uncle the reason behind your extensive life-long training. When you were young, a part of the village deflected against the nation in an attempt take-over of Japan; their first step was to over throw the king and queen of Kyoto – your parents. They were successful. Now is the time for you to take back what is rightfully yours, and help restore our village to its peaceful state. You and your comrades must infiltrate the Dojo of Triumph and complete all the tests within its walls. The Dojo of Triumph was created by our forefathers as the traditional test of all our rulers – to see if they are truly worthy to sit on the throne.

WHERE: Breakout Entertainment WEST, 16604 109 Avenue Mayfield Plaza, Edmonton

WHEN: Thursday, March 1

TIME: 6:30-8:00pm

WHO: CFL Students Grades 7-12

COST \$25.00/student

This activity will meet some of the learning outcomes of Math and Science.

NAIT CAMPUS EXPLORATION

Join us for a 2 hour exploration of NAIT!

If you are looking at different career options, you won't want to miss this event!

Discover all that NAIT has to offer! Join us in a presentation and a walking tour of our main campus and experience our facilities, get to know more about our programs and services, and listen to what our current NAIT students have to say!

Where: NAIT, 11762 106 Street, Edmonton

When: Friday, March 2

Time: 9:00am-11:00am ***Please arrive at least 10 minutes early.**

Cost: FREE

Who: CFL Students Gr.7-12

This activity will meet the outcome of Continuing Education Choices.

REGISTRATION CLOSED

MARCH 2, 9, 16 & 22

PHOTOGRAPHY LESSONS

Beginner Class: The student will start by learning about visual elements, design and how to communicate using photography. The student will learn about point of view and perspectives to communicate to the audience, as well as how to use their camera's basic buttons and functions.

About the instructor: Samantha Parker is a Grant MacEwan University graduate in Design studies. Since graduating in 2010 with a major in Photography, she has travelled around the world building her own photography business. Throughout the course, students will learn how to more effectively use their personal cameras, develop their skills in composition and design, and further develop their creative instincts.

Students will need access to a camera of their choice, preference is a camera rather than a camera phone.

WHERE: Homestead, 10526 Jasper Ave, NW, Edmonton

WHEN: Friday March 2, 9, 16 and Thursday, March 22

TIME: 1:00-2:30pm

WHO: CFL Students Grades 7-12

COST: \$125.00/Student

This activity will meet some of the learning outcomes of Art and Photography.

REGISTRATION CLOSED

MARCH 5, 12, 19, & 26

MARCH 15

CFL CO-CURRICULAR CLASSES

Join us for a Co-Curricular class on March 15. This session will focus on Language Arts, Phys-Ed and other core subjects. The Phys-Ed component will include volleyball.

Science in Action: Water and Our World.

A full day of exploring water and its connection to society and social justice.

Up to 60% of our bodies are made up of water and 71% of our planet's surface is covered with it. When we are thirsty we drink a multitude of liquids that are made up of water. What would happen if we did not have access to clean water? What would happen if we ran out of water?

This workshop will take students through the water cycle, help them consider how important water is to all life on our planet, experiment with water, create a water filter and have some fun playing some water themed games. No bathing suits required, though, you may want to bring a towel.

Traditional Home Education Students are welcome if space allows. Registration will commence for Traditional Home Education Students 2 weeks prior to the class start on March 1. We look forward to seeing you there.

Please bring a lunch; there will be no access to heat the lunches up - NO NUTS PLEASE. You will also need indoor running shoes to participate in the gym.

Where: Saville Community Sports Centre 11610 65 Ave NW, (the big orange building)

When: Thursday, March 15

Time: 9:30 -10am drop off and registration, classes run from 10:00am-2:50pm.

Pick up by 3:00pm.

Who: CFL Students Gr 1-12

Cost: Free for Learn@HOME Students (Teacher-Directed, Online and Blended Program)

\$20.00/ Traditional Home Education Student

MARCH 21 & APRIL 25

APPLE STORE – MOVIE MAKING

Students will spend 2 sessions learning about videography and movie making. In the first session, we will work with students to brainstorm movie ideas, create a Storyboard, and then learn about different camera shot types and techniques. In between sessions, students will have the opportunity to capture footage with their own devices (iPad, iPhone, iPod Touch, or other digital camera). In the second session, the students will get to edit their footage and make a movie, then add transitions and effects. Students will get to keep a copy of their movies at the end of the Field Trip.

Each participant must fill out and bring the Apple Store Permission Statement for Minors Waiver

https://images.apple.com/ca/retail/fieldtrip/YouthPermissionStatement_082015_CAEN.pdf

Where: Apple Store, Southgate Centre, 5015 111 St NW, Edmonton

When: Wednesday, March 21 and Wednesday April 25

Time: 1:00-2:30pm

Please arrive 15 minutes early to allow for setup.

Cost: FREE

Who: CFL Students Grades 3-9

This activity will meet some of the learning outcomes of Computers.

[Click Here to Register](#)

MARCH 28

UKRAINIAN VILLAGE – VELYKDEN

The lifestyles of rural Ukrainian settlers, spring preparations and Velykden celebrations are brought to life for students by costumed interpreters. Through the program, students see the religious and cultural importance of Easter within the lives of early Ukrainian settlers in east central Alberta. A hands-on session provides students with the opportunity to learn about the symbolism of the traditional pysanky. Please wear weather appropriate clothing and bring a **NUT FREE** lunch.

WHERE: Ukrainian Cultural Heritage Village

The Ukrainian Cultural Heritage Village is located 25 minutes or 50 km (30 miles) east of Edmonton along Highway 16, just 3 km (1.8 miles) east of Elk Island National Park. For visitors traveling westbound along Highway 16, the UCHV is located approximately 30 minutes or 55 km (33 miles) west of Vegreville.

WHEN: Wednesday, March 28

TIME: 10:00am - 2:00pm

WHO: CFL students Grades 1-9, older students welcome as well.

COST: \$12/student \$8/parent

This activity will meet some of the learning outcomes of Social Studies.

MAY 25

THE MARCH OF THE REDCOATS – FORT MACLEOD

“The March of the Redcoats” is a live theater production and is a fun, entertaining depiction of Fort Macleod history. Based on facts, and intertwined with folktales of local historical figures in southern Alberta, such as Jerry Potts and Chief Crowfoot of the fierce Blackfoot tribe, it brings to life characters only read about in books.

This program will meet learning outcomes of Social Studies.

Where: **Fort Macleod** – The Fort Museum of the NWMP and First Nations Interpretive Centre

When: Friday, May 25 1:00 PM – 3:30 PM - The March of the Red Coats - performance

Families are welcome to stay and tour the museum after the performance/interpretative program.

Who: **All Grades**

Cost: \$9.00

Includes -The March of the Red Coats performance/school interpretative program and general admission to the Museum.

[THE CENTRE FOR LEARNING@HOME REGISTRATION PAGE.](#)

EVENT VOLUNTEERS NEEDED

The Centre for Learning@HOME is actively recruiting volunteers to help chaperone events.

Volunteer Role and Responsibilities

Volunteers may be responsible for supervising a group of students at events. Student ages will range from 5-18 years of age and student group sizes ranging from 5 - 25 dependent on the event. Volunteers may be contacted to attend events when the Program Enhancement Coordinator requires assistance. Volunteers may be asked to chaperone several events per year.

Qualifications and Education Requirements

Friendly, responsible adult who enjoys working with and supervising students of all ages. A criminal records check with vulnerable sector required for all successful candidates.

Preferred Skills

Friendly, approachable, responsible; experience working with children is an asset.

Benefits

The Centre for Learning@HOME will cover the cost of volunteer's event registration and one CFL student registration while volunteering.

If you are interested in this role, please contact your local Program Enhancement Coordinator.

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require every participant be supervised by a parent; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rational.

1. Parent Participation is Mandatory

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

2. Parent Participation is Voluntary

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

3. Parent Participation is Restricted or Not Allowed

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.

Supervision Ratios as set by Christ the Redeemer Catholic Schools for Field Trips

Grade Level	Adult: Student Ratio
1-3	1:5
4-6	1:10
7-9	1:15
10-12	1:25

Please note, some activities replicate a classroom setting (example: teacher led co-curricular classes) and in such situations, the Field Trip Supervision Ratios will not apply. Ratios similar to a traditional classroom will apply.

If you have any questions or concerns regarding supervision, please contact The Centre for Learning@HOME Program Enhancement Coordinator for your area.
