Sundre Museum - Wildlife Exhibit

Chester Mjolsness was born in Didsbury and grew up on the family farm west of Sundre. Chester was always a hunter but did not start trophy hunting until he retired from Spray Lakes Sawmill, which he and his brother started. He has travelled extensively to Australia, New Zealand, China, Mongolia, Russia, Iran, Spain, USA, Canada, South Africa, Botswana, Zimbabwe, Namibia and Cameroon. He has hunted in every continent except South America and Antarctica. Chester wants to share his experiences of his worldwide travels as well as his collection of trophy animals with the general public. The Sundre Museum is honored to be given this exhibit and will keep Chester's' Legacy alive for generations to come.

There are over 150 taxidermy birds and animals from around the world, including an elephant and giraffe. This collection was the effort of one man, Chester Mjolsness. Come and travel the world.

Frank Slide & Bellevue Mine

Frank Slide

Learn why Turtle Mountain fell and if another rockslide will come down. An Interpretive Centre Guide will lead us on a 1.5km trail through the rock debris to discover the facts first-hand. We will return to the Centre and watch a movie about the disaster. *You will never forget the amazing stories of tragedy and triumph you will hear during your visit to the Frank Slide Interpretive Centre.*

Bellevue Mine

Tour an authentic underground coal mine and experience what it was like to be in a coal mine. The tour will take you 300 meters horizontally into the mine, but at the end of the tour you are 150 feet below the surface. The Bellevue Underground Mine interprets the history of Western Canadian mining communities through its tours. The tour instills a sense of discovery and belonging. Stories from the Bellevue Underground Mine are Canadian experiences: the birth of labour unions, occupational safety, industry, immigration, and transportation. This activity will meet some of the learning outcomes of Social Studies and Science.
