

Computer Camp

Topics to be covered include:

- An introduction to how our online school works
- Tips, tricks and basic computer skills needed for online courses
- An orientation to the communication program we use (FirstClass)
- Getting organized (habits and routines that lead to student success in online courses)
- Parent are encouraged to attend as well
- Computers will be supplied, however you are encouraged to bring your own

PLEASE NOTE: Computer camps do not replace orientation requirements
