OCT 10-MAR 27

Hockey Development

The Centre for Learning@HOME is happy to once again offer the Hockey Development Program. We are offering this program to students currently enrolled with The CFL@HOME. The program is intended for students who are currently able to skate. Participants MUST also have FULL hockey equipment including a neck guard. A variety of ages and skill levels have shown interest in this program.

The Hockey Development Program will run from 1:00 - 2:00 and then the Learn to Skate from 2:00 - 3:00 as it is much easier for the "new" skaters when the ice is scuffed up (at least to start). For the Hockey Development participants that we select to assist us with the Learn to Skate they would have a chance to stay in their gear or change - essentially they would be with us for the full two hours.

Hockey Leadership Development Program: 1:00 - 3:00

Students registered in grades 9-12 may apply to be volunteers in our Coaching Leadership Program in conjunction with our Hockey Development and Learn to Skate programs. If selected to the Coaching Leadership Program, each student may be eligible to earn one or more credits towards his/her Alberta High School Diploma. To apply, please email Mr. Kanters at mkanters@redeemer.ab.ca expressing interest. Students wishing to participate in this program would be expected to be available Wednesday from 1:00-3:00pm for the ice times designated to each program. This program meets some of the learning outcomes for Physical Education.

Coaching Staff; Mr. Kanters, Mr. Chartrand & Mr. Gelinas

The coaching staff have a variety of playing and coaching experiences spanning more than 20 years.

Where: Trico Centre, 11150 Bonaventure Dr SE, Calgary

When: Wednesday's October 10 - March 27 (off for Christmas & Feb 20 for Family week) 1:00-2:00pm

Who: CFL Students Grade 1 - 12 (must have foundational skating skills)

Cost: Home Education Students = \$100

Print-Base, Online and Shared Responsibility (blended) = Provided

Jersey Cost: \$20 (all students who do not currently have a CFL@HOME jersey)

Learn to Skate

The Centre for Learning@HOME is offering a Learn to Skate program meant for participants with little or no skating experience and who are currently registered with The Centre for Learning@HOME. Skill development will focus on basic skating skills. A wide variety of ages and skill levels have shown interest in this program.

Required Equipment for the program includes the following: Hockey Skates (no figure skates), CSA Approved Hockey Helmet (cage recommended) and gloves (hockey gloves not required).

Additional recommended protective equipment: Elbow pads and shin pads, these items are not "required" but do help to minimize sore elbows or knees when falling on the ice. This program meets some of the learning outcomes for Physical Education.

Coaching Staff: Mr. Kanters, Mr. Chartrand & Mr. Gelinas

The coaching staff have a variety of playing and coaching experiences spanning more than 20 years.

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require a parent supervise every participant; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rational.

1. PARENT PARTICIPATION IS MANDATORY

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

2. PARENT PARTICIPATION IS VOLUNTARY

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

3. PARENT PARTICIPATION IS RESTRICTED OR NOT ALLOWED

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.

SUPERVISION RATIOS AS SET BY CHRIST THE REDEEMER CATHOLIC SCHOOLS
FOR FIELD TRIPS

GRADE LEVEL	ADULT: STUDENT RATIO
1-3	1:5
4-6	1:10
7-9	1:15
10-12	1:25

Please note, some activities replicate a classroom setting (example: teacher led co-curricular classes) and in such situations, the Field Trip Supervision Ratios will not apply. Ratios similar to a traditional classroom will apply.

If you have any questions or concerns regarding supervision, please contact The Centre for Learning@HOME Program Enhancement Coordinator for your area.
