KOOTENAI BROWN PIONEER VILLAGE-PINCHER CREEK

A Trip into History On a Path to the Future

In this outdoor heritage facility, history is accessible. Students interact with well-furnished historic buildings—and learn to respect and appreciate artifacts and heritage preservation. We invite students to immerse in the life of a pioneer child, a fur trader, an archaeologist, a Mountie, or anything the imagination can suggest.

In the Fishburn School, students can learn in a one-room atmosphere. In the Hudson's Bay Store, learn how the Fur Trade created Canada. The role of Pioneer women and Frontiersmen come alive in the many conserved cabins, houses, and reconstructions.

Where: Kootenai Brown Pioneer Village Pincher Creek

PHOTOGRAPHY LESSONS

Intermediate class: The students will learn fundamentals of photography: The depth of field, composition, lighting, as well as an introduction to shutter speed, aperture and ISO. They will further discuss the camera basics to get them even more familiar with the camera they own.

Through participation in this program students will also learn the following:

- The notion of depth of field in photography and differentiate between those photographs that have a long depth of field and those that have a shallow depth of field.
- Composition as an important way to make a great photograph, the student will learn about framing for composition, focal point and camera placement, as well as choosing vertical or horizontal format.
- Lighting and how it can change the subject, scene, mood and story of a photograph. We will discuss how to use window light as well as direct light and indirect light.

This class of the three-class program: Beginner, Intermediate and Advanced will afford students time to practice and explore their learning in photography. This is an interactive, student-centered class with plenty of hands-on experiences. Students will have opportunities to explore their own passions in photography, allow their artistic skills to flourish, and develop necessary presentation and interpersonal skills.

About the instructor: Samantha Parker is a Grant MacEwan University graduate in Design studies. Since graduating in 2010 with a major in Photography, she has travelled around the world building her own photography business. Throughout the course, students will learn how to more effectively use their personal cameras, develop their skills in composition and design, and further develop their creative instincts.

Students will need access to a camera of their choice, preference is a camera rather than a camera phone.

WHERE: Homestead, 10526 Jasper Ave NW, Edmonton

ST. ALBERT CHILDREN'S THEATRE – TUCK EVERLASTING

St. Albert Children's Theatre is pleased to announce that their 2018 winter production is the musical Tuck Everlasting.

If you could live forever, would you?

Based on the best-selling novel by Natalie Babbitt, Tuck Everlasting is a story of family, never-ending life and discovering the value of the life in the years, not the years in the life.

The story follows the adventurous Winnie Foster and focuses on her relationship with the mysterious Tuck family who live in the woods. Upon first meeting the Tucks, Winnie is struck by their bond and eagerness to stay private and live isolated, deep in the woods. Learning their magical secret, that they have stayed the same age since drinking from a magical spring nearly a century earlier, Winnie embarks on an extraordinary adventure that will change her life forever.

Book by Claudia Shear and Tim Federle

Music by Chris Miller

Lyrics by Nathan Tysen

If you have any concerns about content we advise that you read the novel.

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require a parent supervise every participant; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rationale.

1. PARENT PARTICIPATION IS MANDATORY

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

2. PARENT PARTICIPATION IS VOLUNTARY

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

3. PARENT PARTICIPATION IS RESTRICTED OR NOT ALLOWED

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.

SUPERVISION RATIOS AS SET BY CHRIST THE REDEEMER CATHOLIC SCHOOLS
FOR FIELD TRIPS

GRADE LEVEL	ADULT: STUDENT RATIO
1-3	1:5
4-6	1:10
7-9	1:15
10-12	1:25

Please note, some activities replicate a classroom setting (example: teacher led co-curricular classes) and in such situations, the Field Trip Supervision Ratios will not apply. Ratios similar to a traditional classroom will apply.

If you have any questions or concerns regarding supervision, please contact The Centre for Learning@HOME Program Enhancement Coordinator for your area.
