FEBRUARY 3

VIRTUAL - WASTE MANAGEMENT

Join a Waste Educator from the City of Edmonton for a show on waste, streaming live from the Edmonton Waste Management Centre! In this 45 minute program, students will learn what goes where, see some waste processing in action, play an interactive game, and have the chance to ask your waste-related questions -- all from the comfort and safety of your home.

Please note this program is geared towards students residing within the City of Edmonton! You are still welcome to join from outside the area but material taught will be based on the City of Edmonton requirements.

WHEN: Wednesday, February 3
TIME: 12:45 pm - 1:30 pm
WHO: Best suited for CFL Students Grade 4-9
COST: Complimentary

FEBRUARY 4

VIRTUAL - BOOK AND A CRAFT

Students will enjoy a fun story followed by a craft!! The craft will be in the theme of the book and requires minimal supplies. A supply list and any templates needed will be emailed prior to the event date.

WHEN: Thursday, February 4
TIME: 2:00 pm - 2:45 pm
WHO: CFL Students Grade 1- 4
COST: Complimentary

[Click Here to Register](#)

FEBRUARY 5

VIRTUAL - COOKING - BRINGING BACK BRUNCH

Calling all cooks!!! Join the chef at Blue Flame kitchen and make a wonderful brunch dish to share with your family!! This class is geared towards children, but some parent help may be required. Ingredient lists and materials will be emailed out closer to date.

WHEN: Friday, February 5
TIME: 11:00 am - 12:30 pm
WHO: CFL Students Grade 1-12
COST: \$14

[Click Here to Register](#)

FEBRUARY 5

VIRTUAL - SMITHSONIAN- URBAN HABITATS

During this museum educator-led program, students will become sidewalk naturalists and meet both iconic and underappreciated plant and animal residents of the nation's capital. We will discover how organisms survive and thrive in urban environments while we practice field ecology skills and reflect on the ways in which our cities are part of the natural world.

WHEN: Wednesday, February 5
TIME: 9:45 am - 10:45 am
WHO: CFL Students Grade 1-9
COST: Complimentary

[Click Here to Register](#)

FEBRUARY 8

VIRTUAL - LEAVE NO TRACE

This course is a must have for any of the outdoor adventurers out there. It's not as easy as you may think to leave a habitat with no hint that you've been there. Learn all about the principles and importance of "Leave No Trace". At the end of this course, your kids will be Leave No Trace certified.

WHEN: Monday, February 8
TIME: 2:00 pm - 3:30 pm
WHO: CFL Students Grade 4-12
COST: \$7

[Click Here to Register](#)

FEBRUARY 10

VIRTUAL - CALGARY ZOO- AFRICAN SAFARI

Do you love learning about animals? Then join this fun tour from the Calgary Zoo. Investigate the unique animals of the African savannah and rainforest. Species observed may include meerkat, hippopotamus, giraffe, lion, zebra, lemur, Malagasy boas, dwarf crocodiles, black & white colobus monkeys, western lowland gorillas.

WHEN: Wednesday, February 10
TIME: 1:00 pm - 2:00 pm
WHO: CFL Students
COST: \$6

[Click Here to Register](#)

FEBRUARY 10

VIRTUAL - LEARN SOMETHING TOGETHER- JUGGLING

Do you know how to juggle? We don't! Join us as we watch tutorials to learn how to juggle three balls. We will laugh, we may cry but best of all we can all struggle as we learn something new together

WHEN: Wednesday, February 10
TIME: 2:15 pm - 3:00 pm
WHO: CFL Students Grade 4-12
COST: Complimentary

[Click Here to Register](#)

FEBRUARY 11

VIRTUAL - COUNTRY MUSIC HALL OF FAME

Listening Technology Over Time (Gr 1-6) 12:30- 1:30pm

Explore the history of music listening technologies—from the gramophone to the iPod—in this interactive program. Students are challenged to think critically as they make observations, compare and contrast, and eventually discover how and why these technologies have changed over time.

Science of Sound at Historic RCA Studio B (Gr 4-9) 1:45-2:45pm

Historic RCA Studio B, Nashville’s oldest operating recording studio, exists at the intersection of science, technology, history, and music. In this interactive videoconference program, students evaluate how reflection, refraction, and other properties of sound waves shaped the studio space. Students will also learn about the rise of Music Row and hear the songs recorded by artists like Elvis Presley, Dolly Parton, and Waylon Jennings that defined this studio as the “Home of 1,000 Hits.”

WHEN: Thursday, February 11
TIME: 12:30 pm - 1:30 pm
1:45 pm- 2:45 pm
WHO: CFL Students Grade 1-12
COST: \$7

FEBRUARY 12

VIRTUAL - SMITHSONIAN- CLIMATE CHANGE

During this museum-educator-led program, students will dive into the connections between their lives and climate change through the lens of food! This interactive virtual program offers an opportunity to explore agricultural systems, review data, and learn about the relationship between climate change and potatoes. Together we will examine how scientists study food as a natural resource, and explore some innovative solutions that can have a positive impact on long-term food sustainability.

WHEN: Friday, February 12
TIME: 9:45 am- 10:45 am
WHO: CFL Students Grade 5-12
COST: Complimentary

[Click Here to Register](#)

FEBRUARY 12

VIRTUAL - ROYAL TYRRELL MUSEUM – PLANET EARTH

Join us as we journey through time to discover the history of our planet. Students will work in teams to answer questions related to Earth's composition, geologic activity, and rich fossil history. This program will challenge students to work collaboratively towards a better understanding of our planet's past.

WHEN: Friday, February 12
TIME: 11:00 am - 11:45 am
WHO: Best Suited for CFL Students Grade 5-9
COST: \$7

FEBRUARY 12

VIRTUAL - POUND FITNESS

Channel your inner rock star!! Pound is a full body cardio jam session using sticks as part of your rhythmic workout session. It is a fun way to get some movement into your day while having fun and learning new skills.

WHEN: Friday, February 12
TIME: 1:00 pm - 1:45 pm
WHO: CFL Students Grade 7-12
COST: \$5

[Click Here to Register](#)

FEBRUARY 12

VIRTUAL - ORIGINS OF CHOCOLATE – JAMAICA

During this virtual program students will learn the true story of how chocolate becomes the world's favorite sweet, a bittersweet tale of hard work, artisanship and how business can be a force for good. Start with a special welcome to Jamaica, a brief history of the island and the historical use of cacao.

Students will learn:

- How we go from the raw ingredients to the finished yummy product.
- How to hand temper chocolate using a bowl, a table and a spatula.
- Students create their own custom-made chocolate bars.
- See a tour of the farm where they will be introduced to the pods up close, looking inside the fruit and learning how the beans are fermented on the farm and how the nibs are processed before unveiling your own chocolate bars.

WHEN: Friday, February 12
TIME: 1:00 pm - 2:00 pm
WHO: CFL Students
COST: \$10

[Click Here to Register](#)

FEBRUARY 12

VIRTUAL - JR/SR HIGH GAMES

We did it once and had so much fun we thought we would do it again! Join fellow peers as we get together before the long weekend and school break. This time our games are going to be random trivia such as Kahoot, Code Names or Drawasaurus

WHEN: Friday, February 12
TIME: 2:15 pm - 3:15 pm
WHO: CFL Students Grade 7-12
COST: No Cost

[Click Here to Register](#)

FEBRUARY 22

VIRTUAL - ALBERTA BATS

Are these creatures of the night creepy or cuddly? Explore the fascinating world of the bats living right in our backyard.

WHEN: Monday, February 22
TIME: 1:00 pm- 2:00 pm
WHO: CFL Students Grade 1-6
COST: \$6

[Click Here to Register](#)

FEBRUARY 24

CAL: VIRTUAL – HOOO’S IN THE OWL PELLET

Calling all scientists! Experience being a real-life biologist! Use an integrated STEM approach to investigate the diet of an owl and estimate the prey number and type. Dissect an owl pellet, sort and identify bones. There will be a science kit all students will need to participate in this event. We will do a meet up to pick these up in different locations in Calgary/ Okotoks prior to the virtual presentation.

WHEN: Wednesday, February 24
TIME: 1:30 pm- 2:30 pm
WHO: CFL Students Grade 4-7
COST: \$14
