SPRING WALL CLIMBING SERIES

This event is tentatively scheduled whether the event will run as expected will depend on AHS and CTR guidelines for the time of the event. This is a Cohort program.

Gr 1-3 Boulder Clinic (12:30pm -1:30pm)

Bouldering is the purest form of modern climbing. There are no ropes or other equipment used except for shoes and chalk. This is not the type of climbing where you risk your life to ascend a route, climbers stay low to the ground. Bouldering has exploded in popularity in the last few years because of its accessibility and low gear requirements. . Bouldering routes range from long traverses a few feet off the ground to very short and powerful routes called “problems” (as in “boulder problems” or puzzles). Students will learn the techniques of bouldering in this 1.5 hour session. They will play games and get the opportunity to try out various routes.

Gr 4+ Learn to Climb (2:00-3:30pm)

Top-roping (or TR'ing) is the safest and easiest aspect of roped climbing—the rope is already through a secure set of anchors at the top of the wall or cliff and if the climber falls, it will result in simply hanging on the rope. This is the main feature of indoor climbing gyms, an abundance of pre-set top ropes. Students in this course will learn proper belay techniques and skills to pass a belay check. Under supervision they will be able to belay one another and top rope.

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require a parent supervise every participant; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rationale.

1. PARENT PARTICIPATION IS MANDATORY

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

2. PARENT PARTICIPATION IS VOLUNTARY

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

3. PARENT PARTICIPATION IS RESTRICTED OR NOT ALLOWED

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.

SUPERVISION RATIOS AS SET BY CHRIST THE REDEEMER CATHOLIC SCHOOLS FOR FIELD TRIPS

GRADE LEVEL	ADULT: STUDENT RATIO
1-3	1:5
4-6	1:10
7-9	1:15
10-12	1:25

Please note, some activities replicate a classroom setting (example: teacher led co-curricular classes) and in such situations, the Field Trip Supervision Ratios will not apply. Ratios similar to a traditional classroom will apply.

If you have any questions or concerns regarding supervision, please contact The Centre for Learning@HOME Program Enhancement Coordinator for your area.

STUDENT SUPERVISION STANDARDS AND PARENT PARTICIPATION

All field trips and events hosted by The Centre for Learning@HOME require supervision to ensure acceptable levels of behavior and safety. The Centre for Learning@HOME will have at least one school staff member on site at every event we host. Staff, and when necessary, parent volunteers (who have provided police issued security clearance documents), will attend events to meet the necessary supervision ratios set out by Christ the Redeemer Catholic Schools and as listed below.

The CFL welcomes parents to participate in activities and events whenever possible. Some events require a parent supervise every participant; other events/venues restrict parent participation. The role of the parent is included in each event description. Please see below for an explanation of the rationale.

4. PARENT PARTICIPATION IS MANDATORY

In this scenario, the students will require one on one assistance to complete the task or the venue has asked us to have a parent with each child. A CFL staff member will be there to assist the event leader, check in students and parents, and obtain the activity waiver forms.

5. PARENT PARTICIPATION IS VOLUNTARY

In this scenario, the parents are welcome to stay and participate, or release their student(s) to the care of The CFL staff and approved volunteers. The ratio of adults to students is in accordance with Christ the Redeemer Catholic Schools' policy (below). If the parent elects to drop their student(s) off, they must deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows the parent has arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

6. PARENT PARTICIPATION IS RESTRICTED OR NOT ALLOWED

In this scenario, the host venue has asked that parents not participate either due to the nature of the event (i.e. swim lessons) or because of limited space. The Centre for Learning@HOME will provide supervision according to the supervision standard set by Christ the Redeemer Catholic Schools. Parents may be able to watch from the sidelines (like in swim lessons) or drop the student(s) off and pick them up at the end of the program. When dropping off your student(s), please deliver the student(s) to the school staff member at the event to check them in and sign the activity waiver. At the end of the event, the parent must collect the student(s) from the school staff member at the specified time and ensure the staff member knows you have arrived to pick up the student(s). Please do not drop your student off at the door or plan to pick them up outside.

If arrangements are made for someone other than the parent/guardian to pick up a student, please notify The CFL staff member, in writing, prior to the start of the event.
