

The Centre for Learning@HOME Course Selection Sheet

In addition to a registration form, families must submit this completed course selection worksheet to book an appointment with their Student Services Coordinator. Families will be contacted via email to book an appointment once both forms are received. As such, if you are not sure which courses your student requires, please check off potential courses of interest and submit this form; during your appointment, our Student Services Coordinators will answer any questions and assist you in finalizing your course selections, which may differ from those indicated. Please note that all course offerings are subject to change as availability is dependent on student enrollment.

**** IMPORTANT NOTE: For all courses, including CTS, students must notify their Student Services Coordinator once a course pre-requisite is complete to add the following desired course. e.g. Workplace Safety (HCS3000) is the pre-requisite for Work Experience. A student must complete HCS3000 first, then contact their assigned Student Services Coordinator to approve the Work Experience course.**

Year 1: Semester 1		Year 1: Semester 2		Summer School- Optional	
Courses	Crdts	Courses	Crdts	<i>You may choose: a) two option courses b) one core course c) one option and one core course.</i>	Crdts
Total Credits		Total Credits		Total Credits	

This worksheet is for preliminary planning purposes only. We will make every effort to accommodate your course requests, pending availability of courses. Your Student Services Coordinator will assist you in selecting the appropriate courses and pathways, and in making sure you have the correct credits to graduate. It is recommended that students take an average of 35-40 credits per year, although some years may be lower or higher, depending on the program you are planning to pursue. A minimum of 100 credits are required to graduate with an Alberta High School Diploma.

IMPORTANT NOTE REGARDING SUMMER SCHOOL:

Students must register for summer school courses using the separate form accessible on our website. Noting courses on this form does not register your student for summer school.

PLEASE PRINT

This form must be completed by any student planning to take a diploma (30 Level) course

Agreement to the terms and conditions of this contract form part of your registration with The Centre for Learning@HOME. Students will not be enrolled in a diploma course if this form is not completed and verified by the Principal.

Please check (✓) the diploma courses you plan on taking for the 2022-2023 school year:

<input type="checkbox"/> Biology 30	<input type="checkbox"/> English 30-1	<input type="checkbox"/> Social Studies 30-1
<input type="checkbox"/> Chemistry 30	<input type="checkbox"/> English 30-2	<input type="checkbox"/> Social Studies 30-2
<input type="checkbox"/> Physics 30	<input type="checkbox"/> Math 30-1	
<input type="checkbox"/> Science 30	<input type="checkbox"/> Math 30-2	

Terms of registration and enrollment in these courses:

1. A student accepts the general guidelines and conditions as set out for registration in The Centre for Learning@HOME High School Handbook.
2. A student enrolled in diploma courses will demonstrate a consistent effort in each course by completing all assignments, quizzes, projects, tests, etc. as assigned by the teacher.
3. Students will ensure all work assigned by the teacher is completed by the assigned due dates in order to be in good standing in the course; otherwise, they may be removed from the course.
4. If the student is not demonstrating the required effort to pass the course, they will be removed from the specific course in question (in essence, if the student is failing the course because the student is not doing all of the required work, the school reserves the right to withdraw them from the course).
5. All students who have a mark below 65% in a Diploma-level course must attend all live class(es).

I, _____, have read and understand the standards established by The Centre for Learning@HOME in regards to diploma courses.
