

PRINT-BASED PROGRAM

GRADES 1 - 6

REGISTRATION DEADLINE SEPTEMBER 22, 2023

PROGRAM OVERVIEW

This option provides parents with the greatest flexibility to follow the Alberta Programs of Study through teacher-directed courses. Courses follow a weekly format with material delivered by an Alberta certificated teacher. Parents can support their children as they work through course material, and teachers are also available daily.

PROGRAM FEATURES

- Flexible learning environment.
- Proven academic results.
- Course content delivered using a Learning Management System (LMS) with weekly live instruction.
- All assessment and instruction is conducted by the teacher.
- Live instruction is recorded and accessible at any time.
- Families have daily access to teachers.
- Parents are actively involved in the education of their child.
- Through our LMS parents have 24/7 online access to student marks. Parents can observe their child in our LMS with their own account.
- Teacher assessments are conducted regularly during the year to meet required learning outcomes from the Alberta Programs of Study.

SUPPORTS INCLUDE

- Access to Student Services.
- MS Office 365 and school software provided.
- Access to web-based educational online subscriptions.
- Technical support for school programs and software from our Centre for Learning@HOME technician.
